

## EXHIBIT FLOORS

### PORTABLE INTERLOCKING FLOORING

#### BUILD AMAZING TRADE SHOW BOOTH FLOORS

EverBlock Flooring is perfect for exhibitions and trade shows and is ideal as flooring for indoor and outdoor exhibits. EverBlock exhibit floors provide a modern and clean look that compliments the theme of any exhibit or booth.

Flooring modules are available in 3 options; EverBase (12"x12") in 16 colors, EverBase2 (18"x24") in Light Grey and Translucent and EverBase3 (18"x24"), a more industrial tile available in Light Grey and Translucent.

All flooring modules are available in both a Solid Top and Drainage Top option, and installs quickly.

*\*Custom colors available with minimum orders.*

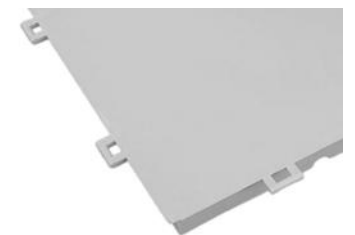

#### RUN ELECTRICAL CORDS UNDERNEATH

Run electrical and communication cables underneath all versions of **EverBlock Flooring**, using the integrated cable channels running through all tiles. Run power to center poles for lights or along the side for trade show exhibits and other needs.
